## R3 PARTNER FOR FILM TRANSFER

At this time, R3 Consulting, LLC does not have the equipment to transfer film on-site. However, we have partnered with one of the leader’s in the industry for film transfer (Got Memories, Inc.), located in Arizona. They digitize the film for us and send it back for finalization to DVD. They use state of the art film transfer equipment to ensure the highest quality level and safety of your film. This includes LED bulb technology and 3 chip color processing.

## SHIPPING / HANDLING

Your media is shipped via FedEx or UPS Ground with Tracking in both directions. Once digitized, Got Memories, Inc retains a copy of transferred film as an added safeguard. There is a flat \$25 Shipping/Handling fee for orders under 5000ft of Film. For larger orders above 5000ft of Film, we will provide you with a custom price based on shipping weight.

## INVENTORY & ESTIMATE

At this time, there is a minimum order requirement of 500ft of film. If less than 500ft we can still send the order, but you will be billed a minimum of 500ft. Approximately 2 hours or 1800ft of film will fit on 1 DVD\*\*.

\*\* The total below is an estimate; once digitized we will have an actual footage count which is what the final invoice will be based on. The estimate does not include applicable sales tax (NJ and PA only). Also note that \$0.16/ft is for Silent Film Only. *Although rare, if your media has audio the rate is \$0.22/ft.*

### TERMS & CONDITIONS

**OWNERSHIP OF MATERIALS SUBMITTED:** The submission of any film to us for transfer constitutes an agreement by you that you are either the owner of the material or have a valid waiver from its copyright owner granting permission to duplicate or reproduce it. **LIMIT OF LIABILITY:** We make every reasonable effort to safeguard your film; however our company is not responsible for any loss or damage, even if by our negligence or other fault. You understand that your media will be shipped out to our Partner (U.S. Based) for digitization and we are not responsible for any loss or damage from our partners.

\* Due to the nature and age of Film Reels, film transfer may not be possible. Since only our partner would be able to determine this, the shipping and handling fee would still be applicable.
